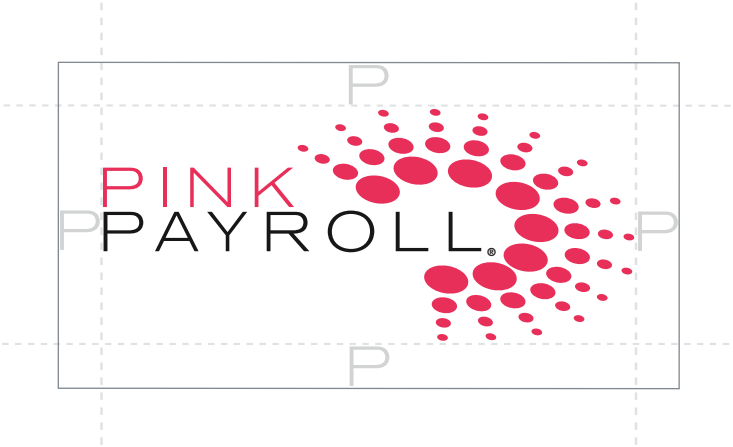
CLEAR SPACE AROUND LOGO

To preserve the integrity of the logo, always maintain a minimum clear space around the logo. This clear space isolates the logo from competing graphic elements such as other logos, copy, photography or background patterns that may divert attention.

The minimum clear space for the logo is defined as the height and width of the Letter 'P' in the word Pink Payroll.
The minimum space should be maintained as the logo is proportionally enlarged or reduced in size.



INCORRECT USAGE

The following examples show incorrect usage of the logo.
Use approved logos to create consistent branding.

DO NOT STRETCH, COMPRESS OR DISTORT

DO NOT ROTATE

DO NOT CHANGE THE FONT

DO NOT ALTER APPROVED COLORS
